Citi Handlowy Volunteer Scheme - we have helped for 7 years.

This year witnesses 7th anniversary of volunteer scheme at Citi Handlowy. The Volunteer Employee Program, implemented in June 2005, since its beginning is coordinated by **Kronenberg Foundation at Citi Handlowy**. Volunteers support selected social ventures with their knowledge, experience and skills and they engage in assistance to organizations of various operational profile.

The Volunteer Employee Program at Citi Handlowy is being developed dynamically – every year, the teams of volunteers are joined by subsequent employees, and the number of projects implemented by them is constantly growing. **Citi's Global Community Day**, an international project carried out on the same day each year in over 90 countries worldwide, constitutes the greatest volunteering event at Citi Handlowy. Between May 25 and June 30 we will implement **over 120 projects** in 12 provinces, reaching **13 thousand people in need**.

The Volunteer Employee Program engages not only employees but also their families and friends. The volunteering activities are also carried out by Bank's clients. This year the participation in projects was announced by volunteers from the following companies: BP Polska, Can-Pack, Delphi, HG Polska, Legg Maison TFI S.A., Pentel Poland, Securitas Polska, Sportimpex, Toyota Motor Poland, Universal Music Polska.

On this occasion a special website www.citihandlowy.pl/200 has been launched, where you can find information about how Citi and Citi Handlowy (in operation for over 140 years) supported many groundbreaking undertakings and ideas. The main focus of Citi's global anniversary campaign is on presenting history and events where Citigroup was a partner or an initiator. An example of such an event is the participation of the bank in a project to construct the first passenger jet plane, which has revolutionized the way of travelling worldwide.

The Polish campaign "One Bank, Two Traditions, 200 Years of Progress" also includes local examples from the history of Citi Handlowy. All of them are contained in a dedicated website www.citihandlowy.pl/200, which features more examples on how Citi has
